

# Police Search and Seizure Law

**Search and Seizure:** This one-day course will provide police personnel of all ranks with a solid presentation on Search and Seizure law, with a strong emphasis on the Fourth Amendment and United States Supreme Court holdings, making most of the course applicable to the entire United States. This course is beneficial to law enforcement personnel from any state. There is also important coverage of Michigan Court cases in this area, that further enhance the presentation for those Michigan Police personnel in attendance. With search and seizure law becoming more complex in the past few years, personnel with only a few years on the job or decades of experience will both benefit from this course.

**Cost:** \$125.00. *Course is MCOLES registered for use of 302 funds.*

**Instructor:** The course is instructed by the law firm of Keith A Wuotinen, PLC. Keith Wuotinen, Esq. has been employed in law enforcement for over 22 years (current rank of Lieutenant at his agency) as well as being an attorney and admitted to the State Bar of Michigan. The dual careers of Michigan law enforcement and a Michigan attorney makes him uniquely qualified to present a legally sound course in search and seizure in a manner that is most beneficial to police personnel at all levels.
